Thursday, 25 February 2010
Friday, 14 May 2010

At the end of the seminar, networks will be formed with 3-7 fellow participants, and will decide which days to meet during the following six months.

Cost

\$600 for the entire network (over 50 hours)
(includes modest honorarium to your facilitator-coach, materials and administrative expenses of CRMS)

This is about the same cost per hour for classroom teaching in a continuing education course, but with much more personal attention. It is also about half the cost of music classes or tuition, and a tenth the cost of formal education classes.
